

# Scouting out the Hedgerows on DH Long Farm

8304 County Road 91B, Zamora, CA 95698

Saturday, April 11, 2015 | 9:40 a.m. – 12:00 p.m.

1 CE Hour

Bring  
walking shoes,  
water, and a hat  
for our tour.

This workshop will focus on the benefits of hedgerows of native California plants in agricultural landscapes as well as establishment practices for field edge plantings and plant selection. For more information, contact Laurel Sellers or Rachael Long, UC Cooperative Extension, Yolo County Capitol Corridor, at [Laurel.Sellers@gmail.com](mailto:Laurel.Sellers@gmail.com) or [rflong@ucanr.edu](mailto:rflong@ucanr.edu) or 530-666-8143. There is no need to preregister.
