

On-Farm Benefits of Hedgerows Workshop

Pull out on the West side of Currey Road,
0.3 miles North of Higby's Country Feed Store, Dixon, CA
Thursday, May 21, 2015 | 8:30 a.m. – 10:30 a.m.
1 CE Hour

Bring
walking shoes,
water, and a hat
for our tour.

This workshop will focus on the benefits of hedgerows of native California plants in agricultural landscapes as well as establishment practices for field edge plantings and plant selection. For more information, contact Laurel Sellers or Rachael Long, Yolo County UC Cooperative Extension, at Laurel.Sellers@gmail.com or rflong@ucanr.edu or 530-666-8143. There is no need to preregister.
